

2012 SHELBY GT500 SVT CONVERTIBLE

In 2012, Ford dealers were only allowed to special order one or two GT500s, making these cars often sell for more than their list price. Most buyers could only purchase what the dealers had already ordered. However, this Shelby GT500 was special ordered by the founder of Fraction Motors six months in advance. The car is one of only 75 Kona Blue convertibles produced with the SVT Performance Package and one of 58 without the accent stripes. Nearly identical to the engine in the Ford GT40, the hand-built 5.4L DOHC super-charged aluminium V8 accelerated from zero to 60 mph in only 4.4 seconds on its way to a quarter-mile time of 12.4 seconds at 116 mph.

All original Kona Blue Metallic paint with black leather interior and black convertible top

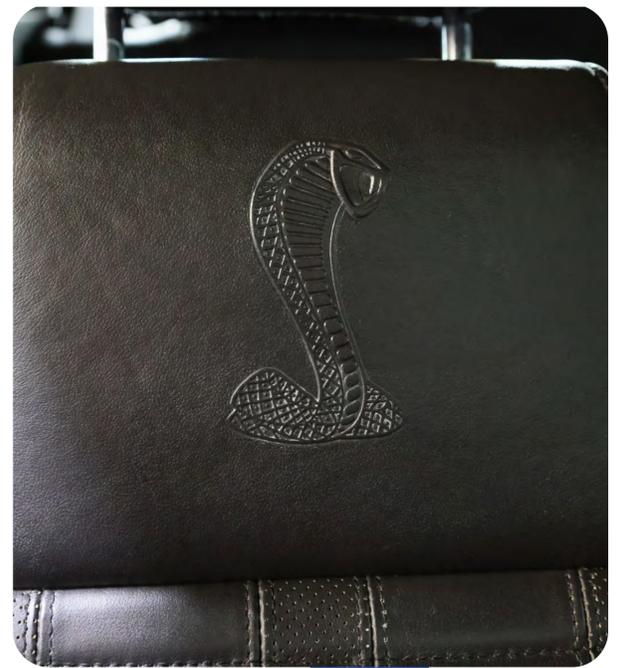

Only 75 Kona Blue Shelby GT500 SVT Convertibles were produced in 2012

Original hand built 5.4L supercharged V8 (550hp)

Hand signed by the Ford SVT experts who built the engine

Charcoal black leather interior with embossed Shelby Cobra

Six-speed manual transmission with optional navigation system
